Pastoral Colloquium Held at Christian Health Care Center

Christian Health Care Center in Wyckoff recently hosted a Pastoral Colloquium for area clergy. The guest speakers were Rev. Michael Johnson and his wife Carrie Johnson, and the topic was “Spiritual Temperaments: Discovering the Different Pathways to Deeper Intimacy with God.” Participants learned about the nine spiritual temperaments and the practical applications of this concept so it can be utilized within their ministries.

Rev. Michael Johnson serves as the lead pastor of Living Word Reformed Church in North Haledon. Carrie Johnson is currently working toward a master’s degree in women’s ministry at the Alliance Theological Seminary. She is also the author of a forthcoming Bible study on Galatians, which will be published by Faith Alive.

Christian Health Care Center provides a broad continuum of high-quality, compassionate care, offering superior mental-health, elder-care, residential living, and rehabilitation services. As a non-profit organization, we deliver care to our community based upon the Christian principles on which we were founded more than a century ago.
