## **Coldwell Banker Employees and Agents Volunteer at Christian Health Care Center**

During National Volunteer Week, Christian Health Care Center (CHCC) in Wyckoff recently welcomed employees and agents from the Coldwell Banker Residential Brokerage office in Wyckoff who volunteered their time and talents during a regional “Care Days” event. The employees and agents helped to beautify the grounds of CHCC in a spring cleanup community-service project. Coldwell Banker’s 58 offices throughout New Jersey and Rockland County, NY, volunteered at organizations benefiting their local communities doing a number of activities, including hosting garage sales to raise funds for charities, cleaning beaches, participating in fund-raising runs, and hosting blood drives during the last weekend in April.

“We are delighted that the Coldwell Banker office in Wyckoff chose Christian Health Care Center to be the beneficiary of their project,” said Douglas A. Struyk, CPA, LNHA, CHCC President and CEO. “We are very grateful for their hard work and support of our efforts.”

The Coldwell Banker Residential Brokerage Cares Foundation in New Jersey and Rockland County has donated more than \$570,000 to non-profit organizations since its inception in 2005. In addition, its employees have donated countless hours of volunteer service.
