The Longview Assisted Living Residence at Christian Health Care Center to Hold 4th Annual Resident Art Exhibit

The Longview Assisted Living Residence at Christian Health Care Center in Wyckoff will hold its 4th Annual Resident Art Exhibit from 6 to 7:30 p.m. Thursday, September 26. The public is cordially invited to view the exhibit and support Longview's residents. Several items featuring the residents' art will be on sale at the exhibit, including art calendars, mouse pads, mugs, pens, and note cards.

Longview residents participate in a weekly Art Appreciation Program. The residents have learned about many artists, including Michelangelo, Matisse, Jackson Pollack, Georgia O'Keefe, Grandma Moses, Vincent Van Gogh, Edgar Degas, Andy Warhol, and Norman Rockwell. And likewise, part of the process is reviewing their works, their process, and experimenting with various mediums, such as acrylic paint, watercolors, pastels, oil pastels, collage, paper mache, button art, mobiles, and string art.

The program gives residents a sense of accomplishment and well-being, an opportunity to work as a team, and an active way to express themselves. It also provides full sensory stimulation, both visual and tactile, and they enjoy the smell of paint and feel of the clay.

MORE

Longview staff prides itself on providing services, amenities, and surroundings that complement and enhance the quality of life for our senior residents, and the Art Appreciation Program is a good example of this. It provides a holistic approach to health care, and the response to the program has been overwhelmingly positive.

CHCC provides a broad continuum of high-quality, compassionate care, offering superior mental-health, elder-care, residential living, and rehabilitation services. As a non-profit organization, we deliver care to our community based upon the Christian principles on which we were founded more than a century ago.
