

Finamore named Legend All Star

North Haledon resident Ray Finamore was recently honored as Legend Quarterly All-Star by Christian Health Care Center in Wyckoff. Candidates for this award are nominated by CHCC co-workers.

Finamore, plant operations technician, was nominated by Jamie Pesci, Health Information Management Director/Privacy Officer.

A Legend is someone who exemplifies the mission and values of CHCC in an outstanding and easily recognizable manner, who contributes exemplary service for the benefit of those served at CHCC or who demonstrates behavior above and beyond expectations.

“Ray came to the aid of a disheveled person who was lost or wandering on campus,” said Pesci. “He recognized that the person was in need of mental health services and contacted the appropriate staff for assistance. While waiting for help, Ray provided kind words and encouragement.”

Finamore often volunteers to come in early, to stay late or to work on holidays. He volunteers in youth sports programs and other charitable organizations that help underprivileged children.

Residents and other staff members admire Finamore’s friendly demeanor and outgoing personality.
