## Pastoral seminar held at CHCC for clergy

A pastoral seminar for clergy and their spouses was hosted at the Christian Health Care Center recently. Guest speakers were Rev. Michael Johnson and his wife, Carrie. Rev. Johnson is the lead pastor of Living Word Reformed Church, North Haledon. Their topic was "Spiritual Temperments:

Discovering Different Pathways to Deeper Intimacy with God." Mrs. Johnson is working toward a master's degree in women's ministry at Alliance Theological Seminary. She is the author of a forthcoming study on Galatians, which was published by Faith Alive.
