Ten Kate named CHCC All Star

North Haledon resident Marie Ten Kate was recently honored as a Legend Quarterly All Star at Christian Health Care Center. A lead certified nursing assistant at Ramapo Ridge Psychiatric Hospital, Ten Kate was nominated by nursing supervisors.

Sofia Magnifico, geriatric nurse manager, said that Ten Kate "values and respects each patient's individual needs. She takes the time to get to know each patient, his/her interests, hobbies and memories. She can often be observed reminiscing and providing comfort and support to patients as well as their families."

Criteria for the award are that the nominee be someone who exemplifies the mission and vision of CHCC, who contributes exemplary service for the benefit of those served at CHCC or who demonstrates behavior above and beyond expectations.
