Beating the blues

New Jersey residents certainly had enough of this winter and welcomed spring with open arms. Christian Health Care Center (CHCC) in Wyckoff recently held special events called "I wish it was summer" for winter-weary staff, residents and clients. A special picnic-style meal consisting of summer barbecue fare including Cajun blackened chicken, homemade red potato salad, freshly baked biscuits, corn on the cob and assorted sorbets, was served for employees. Pictured are Christian Health Care Adult Day Services of Wyckoff clients Mary Funcheon of Hawthorne and Sue Schreib of Ringwood.
